Classic Full Hair Up Style

For a classic style, gather your hair as you would for a pony tail. Coil your pony tail in a French Twist and insert the clip.

Half Hair Up Style

This beautiful effect is created by taking the hair from the sides and bundling them before putting in the haircomb. Let the rest of your hair cascade below.

Very Stylish Pony Tail

For this very stylish pony tail, bundle your hair and then put the clip in. Thread the hair through the elastic.

Classic Full Pony Tail

Create a neat pony tail while hiding the clip by twisting your hair upwards, putting in your comb and letting it cascade over the top of the comb.

Tangle

Simple yet stylish for work or play. Clip all your hair up by creating a pony tail with your hair from the crown, then thread the remaining locks through the elastic.

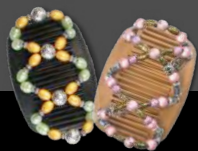

Tying Your Hair Up?

It's that easy! Just lock the double hair combs together in your hair and be secure in the knowledge that your chosen hair style is under control all day.

African Butterfly Hair Comb Care

Wipe clean with a clean damp cloth. Keep free of creams, oils and hair sprays which may affect the elastics and beads.
